Dear Jim and Chip,

As a "charter" advertiser of LEO Affairs, I wanted to let you know how much we have benefited from your website, and to let you know that we will continue to be one of your sponsors in the future.

As you know, we have worked with Law Enforcement groups and individuals throughout the state of Florida for many years now. Our "exposure" through the LEO Affairs Webpage has enhanced us with name and face recognition, as well as knowledge of what we do for Law Enforcement and others, when we are meeting with new clients.

Our office has expanded immensely in the past several years since we began advertising with LEO Affairs, and we have plans to do many more years of the same!

Sincerely yours,

J.L. "Larry" Peggs, R.F.C.
